Casey Kaplan is pleased to announce, *The Party (Gallery Artists Group Exhibition)*, an exhibition featuring work from all seventeen gallery artists. This exhibition celebrates the gallery's move to our new space on West 21st Street and the occasion of our ten year anniversary.

The exhibition presents an exciting selection of work-- two or more works by each artist-- ranging from recent artistic projects never before seen in New York to earlier artworks from the Gallery's exhibition history. Working in a variety of techniques and across a range of aesthetic principles, the works in this exhibition reflect the diversity and vitality of the gallery artists and their individual contributions to the Gallery.
